

## **CURRICULUM VITAE**

### **MARK H. GETELMAN, M.D.**

**DATE OF BIRTH:** April 17, 1963  
**PLACE OF BIRTH:** Miami, Florida  
**MARITAL STATUS:** Married; 3 children (Nicole, Zachary, Jayme)  
**CITIZENSHIP:** USA

**OFFICE ADDRESS:** Southern California Orthopedic Institute  
375 Rolling Oaks Drive, Suite 210  
Thousand Oaks, California 91361  
(805) 497-7015

**EDUCATION:** Tulane University, New Orleans, Louisiana  
B.S. in Biology  
1981 - 1985  
  
University of Florida College of Medicine, Gainesville, Florida  
1985 - 1989

#### **POSTGRADUATE EDUCATION:**

Internship -  
Boston University School of Medicine  
Boston, Massachusetts, General Surgery  
1989 - 1990

Fellowship in Orthopaedic Trauma -  
Boston City Hospital, Boston University  
Boston, Massachusetts  
1990 - 1991

Fellowship in Orthopaedic Surgery -  
St. Elizabeth's Hospital (Tufts University Affiliate)  
Boston, Massachusetts  
1991 - 1992

Orthopaedic Residency -  
Boston University School of Medicine  
Boston, Massachusetts  
1992 - 1996

Fellowship in Sports Medicine -  
Southern California Orthopedic Institute  
Van Nuys, California  
1996 - 1997

**PROFESSIONAL  
CERTIFICATIONS:**

National Board of Medical Examiners -  
Diplomat, 1990

American Board of Orthopaedic Surgery -  
Board Certified, 1999; Re-certified, 2009

Subspecialty Certification in Orthopaedic Sports Medicine -  
2009

**STATE LICENSE:**

California, 1996  
Massachusetts, 1992  
Florida, 1997

**ACADEMIC  
APPOINTMENTS:**

Adjunct Instructor of Clinical Medicine, Keck School of Medicine,  
University of Southern California Clinical Preceptor, 2010 – present

Assistant Fellowship Director, Southern California Orthopedic Institute  
Sports Medicine Fellowship, 2007 – present

Medical Director/Chairman of the Board, Southern California Orthopedic  
Research & Education (SCORE), 2006 – present

Attending Surgeon, Southern California Orthopedic Institute,  
1997 – present

**PROFESSIONAL SOCIETIES  
& APPOINTMENTS:**

American Academy of Orthopaedic Surgeons  
Resident Member 1994  
Candidate Member 1997  
Fellow 2000

Arthroscopy Association of North America, Member, 2000 – present  
Member, Education Committee, 2006 – 2010  
Chairman, Fellowship Committee, 2010 – 2014  
Chairman MOC Task Force, 2010 – present  
Editor in Chief, AANA ASAP MOC Exam, 2012 – present  
Member, Board of Directors, 2013 – present  
Chairman, Enduring Materials, 2015 – present  
Master Instructor in Arthroscopy  
AANA/SOMOS, 2013 – 2015  
Resident Course, 2015

California Orthopaedic Association, 1998 – present  
Reviewer, American Journal of Sports Medicine, 1999 – present  
American Orthopaedic Society for Sports Medicine, Active Member,  
2003 – present  
Member, Fellowship Match Oversight Committee, 2010 – 2014  
American Shoulder and Elbow Surgeons, 2012 – present  
Reviewer, Journal of Shoulder & Elbow Surgery, 2012 – present

**HONORS &  
AWARDS:**

Tulane University -  
Deans List, 1981 - 1985  
Phi Eta Sigma, Freshman Honor Society, 1981 - 1982  
Alpha Epsilon Delta, Pre-Med Honor Society, 1982 - 1985  
Beta Beta Beta, Biology Honor Society, 1983 - 1985  
Tulane Scholars and Honors Program, 1983 - 1985  
Phi Beta Kappa - 1985  
Magna Cum Laude - 1985

**HOSPITAL  
APPOINTMENTS:**

Los Robles Hospital  
Thousand Oaks, California

Center for Orthopedic Surgery, Inc.  
Van Nuys, California

Motion Picture & Television Hospital  
Woodland Hills, California

Thousand Oaks Surgical Hospital  
Thousand Oaks, California

Conejo Surgical Center  
Thousand Oaks, California

Valley Presbyterian Hospital  
Van Nuys, California

**CONSULTANT:**

Smith & Nephew Endoscopy  
Knee Advisory Panel Physician, 2003 - 2007  
DePuy Mitek, 2007 – present

**SPORTS MEDICINE  
EXPERIENCE:**

1991-1992	Boston College Athletics
1992-1995	Boston University Athletics
1995-1996	Resident Sports Medicine Director Boston University Athletics
1996-1997	Team Physician Van Nuys High School Van Nuys, California
1997-2000	Team Physician Alemany High School Mission Hills, California
2000-2002	Team Physician Notre Dame High School Sherman Oaks, California
2000-2012	Team Physician Thousand Oaks High School Thousand Oaks, California
2015-present	Team Physician Campbell Hall North Hollywood, California

### **VIDEO PRESENTATIONS:**

1. Getelman, M.H.; Snyder, S.J.: “Arthroscopic Bankart and Type II S.L.A.P. Lesion Repair Using The Bio-Anchor.” Presented at the American Academy of Orthopaedic Surgeons Annual Meeting, 1998.
2. “Single-Row Repair: Why Tissue Tension is Important.” AudioDigest Orthopaedics, Volume 34, Issue 18, September 2011.
3. Clark, R.R.; Getelman, M.H.: “Five Minute Fifteen Point Diagnostic Arthroscopic Knee Examination.” Presented at the American Academy of Orthopaedic Surgeons Annual Meeting, 2013.
4. Sampatacos, N.E.; Getelman, M.H.: “Arthroscopic Subacromial Decompression: Eight Step Approach.” Presented at the American Academy of Orthopaedic Surgeons Annual Meeting, 2014.

### **LIVE SURGERY DEMONSTRATIONS:**

1. “Complex Rotator Cuff Repair.” Mumbai, India, November 2011.
2. “Anterior Instability/Rotator Cuff Repair.” Chennai, India, November 2011.
3. “Rotator Cuff Repair/SLAP Lesion Repair.” Pune, India, November 2011.
4. “Rotator Cuff Repair.” Indian Arthroscopy Association, New Delhi, India, November 2011.

### **COURSE CHAIRMAN:**

1. Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy. Napa, California
  - November 5-7, 2009
  - October 14-16, 2010
  - October 5-7, 2011
  - September 19-21, 2012
  - September 18-20, 2013
2. Arthroscopy Association of North America Fall Course, Shoulder Lecture Program, 2014.
3. VuMedi – The Event; Shoulder Arthroscopy Program Chairman, 2014.
4. Orthopaedic Learning Center Resident Course, Co-Director, 2015.
5. DePuy Mitek Fellow Symposium, Co-Chairman
  - March 2015
  - March 2016

**PRESENTATIONS:**

1. "In-shoe Plantar Pressure Measurement of the First Metatarsal Phalangeal Joint in Asymptomatic Patients." Poster Exhibit. Annual Meeting, 59th Annual Meeting, American Academy of Orthopaedic Surgeons, Washington, DC, February 1992.
2. "Fixation Technique for the Mallory-Head Acetabular Component: A Report of 35 Cases." Spring Meeting, New England Orthopaedic Society, Woodstock, Vermont, May 1992.
3. "Revision Cruciate Ligament Surgery." American Orthopaedic Association Resident's Conference, Atlanta, Georgia, March 1994.
4. "Revision Anterior Cruciate Ligament Reconstruction: A Comparison of Autograft versus Allograft." 14th Annual Meeting, Arthroscopy Association of North America, San Francisco, California, May 1995.
5. "Arthroscopic Bankart Repair - Cadaveric Surgical Demonstration." Laboratory Instructor. Southern California Fellowship Series, Carlsbad, California, March 1997.
6. Live Video Presentation and Laboratory Instructor. San Diego Shoulder Arthroscopy Course, La Jolla, California, June 1997.
7. "Management of Knee Ligament Injuries." Sports Medicine & Orthopedics for Medical Professionals, Southern California Orthopedic Research & Education, Woodland Hills, California, October 1997.
8. "Rotator Cuff Disorders." Course Chairman. Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, November 1997.
9. "Shoulder Injuries - Rotator Cuff." Sports Medicine & Orthopedics: Management of Spine and Shoulder Injuries, Simi Valley, California, December 1997.
10. "Shoulder Arthroscopy Tutorial." Clinical Instructor. Southern California Orthopedic Institute, Van Nuys, California, April 1998.
11. "Rotator Cuff Disorders: Current Concepts." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, May 1998.
12. "Revision ACL Reconstruction: Causes of Failure and Surgical Technique." California Orthopaedic Association, ACL Symposium, Lake Tahoe, California, May 1998.
13. "Arthroscopic Rotator Cuff Repair." 6th Congress of the Arthroscopy Association of Argentina, Buenos Aires, May 1998.
14. "Arthroscopic Treatment of SLAP Lesions." Roundtable discussion. 6th Congress of the Arthroscopy Association of Argentina, Buenos Aires, May 1998.

**PRESENTATIONS:** (continued)

15. "Anatomy and Technique for Diagnostic Arthroscopy." 15th Annual San Diego Arthroscopy and Arthroplasty Course, La Jolla, California, June 1998.
16. Laboratory Instructor, 15th Annual San Diego Arthroscopy and Arthroplasty Course, La Jolla, California, June 1998.
17. "Arthroscopic Rotator Cuff Repair." Instructional Course Lecture. American Orthopaedic Society for Sports Medicine Annual Meeting, Vancouver, British Columbia, July 1998.
18. "SLAP Lesions of the Shoulder: Evaluation and Treatment." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, November 1998.
19. "Treatment of Meniscal Injuries in the Knee." Instructional Course Lecture. 66th Annual Meeting, American Academy of Orthopaedic Surgeons, Anaheim, California, February 1999.
20. "Total Knee Replacement." CME Presentation, Simi Valley Hospital, Simi Valley, California, February 1999.
21. "Articular Cartilage Lesions: Current Concepts." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, May 1999.
22. "Current Concepts in the Management of Knee Injury." CME Presentation, Valley Presbyterian Hospital, Van Nuys, California, June 1999.
23. "Anatomy and Technique for Diagnostic Arthroscopy." 16th Annual San Diego Arthroscopy and Arthroplasty Course, La Jolla, California, June 1999.
24. Laboratory Instructor, 16th Annual San Diego Arthroscopy and Arthroplasty Course, La Jolla, California, June 1999.
25. "Sports Medicine Panel." CME Presentation, Simi Valley Hospital, Simi Valley, California, September 1999.
26. "Shoulder Trauma – Soft Tissue Injuries." Industrial Injuries Symposium, Southern California Orthopedic Research and Education, Van Nuys, California, November 1999.
27. "Sports Medicine in Adolescence." CME Presentation, Valley Presbyterian Hospital, Van Nuys, California, May 2000.
28. "Management of Work Related Shoulder Disorders." Fremont Insurance, Glendale, California, May 2000.
29. "Indications for Shoulder Arthroscopy and Decision Making in Rotator Cuff Repair." Industrial Injuries Symposium, Southern California Orthopedic Research and Education, Van Nuys, California, May 2000.

**PRESENTATIONS:** (continued)

30. "Diagnostic Arthroscopy." 17th Annual San Diego Shoulder Arthroscopy Course, La Jolla, California, June 2000.
31. Laboratory Instructor, 17th Annual San Diego Arthroscopy Course, La Jolla, California, June 2000.
32. "Shoulder Arthroscopy." CME Presentation, Valley Presbyterian Hospital, Van Nuys, California, September 2000.
33. "Cartilage Transplantation: Management of Articular Cartilage Lesions." CME Presentation, Valley Presbyterian Hospital, Van Nuys, California, October 2000.
34. "Failed Anterior Cruciate Ligament Reconstruction." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, November 2000.
35. Laboratory Instructor, 18th Annual San Diego Arthroscopy and Arthroplasty Course, La Jolla, California, June 2001.
36. "Double Suture/Sling SLAP Repair." 74th Annual Clinical Assembly, American Osteopathic Academy of Orthopaedics, Palm Desert, California, October 2001.
37. "SLAP Lesions of the Shoulder: Update 2001." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, November 2001.
38. "Arthroscopic Advances in Sports Medicine: Using the CLAS Room to Develop Future Technologies." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, May 2002.
39. Laboratory Instructor, 19th Annual San Diego Arthroscopy and Arthroplasty Course, La Jolla, California, June 2002.
40. "Normal Variants vs. Pathological Conditions." International Shoulder Course – Final Program, Gmunden, Austria, June 2002.
41. "OCD of the Glenoid: An Uncommon Cause of Shoulder Pain." 66th Annual Meeting, Western Orthopaedic Association, Maui, Hawaii, August 2002.
42. "Biceps Lesions: Current Concepts." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, November 2002.
43. "Minimally Invasive Repairs of Distal Biceps Tendon Ruptures." Co-author. Fellows' Day Presentations, Southern California Orthopedic Institute, Van Nuys, California, June 2002.
44. "Instability of the Shoulder: Arthroscopic Repair." Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Thousand Oaks, California, March 2003.

**PRESENTATIONS:** (continued)

45. Laboratory Instructor, 20th Annual San Diego Shoulder Arthroscopy Course, La Jolla, California, June 2003.
46. “Results of Arthroscopic Revision Anterior Shoulder Reconstruction.” Co-author. The First Southern California Orthopedic Institute Sports Medicine Fellowship Reunion & Educational Symposium, Coronado, California, July 2003.
47. Moderator, Ankle Session, The First Southern California Orthopedic Institute Sports Medicine Fellowship Reunion & Educational Symposium, Coronado, California, July 2003.
48. Laboratory Instructor, Fall Course, Arthroscopy Association of North America, New Orleans, Louisiana, November 2003.
49. “Multidirectional Instability.” Pfizer Lecture Series, Hollywood, Florida, December 2003.
50. Instructor, Masters Course in Shoulder Surgery, Arthrex Corporation, Naples, Florida, April 2004.
51. Laboratory Instructor, 21st Annual San Diego Shoulder Arthroscopy Course, La Jolla, California, June 2004.
52. Laboratory Instructor, Fall Course, Arthroscopy Association of North America, Palm Desert, California, December 2004.
53. Instructor, Mitek Worldwide Global Training Seminar, April 2005.
54. “Arthroscopic Instability – Anterior and MDI.” Depuy Mitek Arthroscopic Shoulder Concepts Course, Irvine, California, April 2005.
55. “SLAP Lesions.” Depuy Mitek Arthroscopic Shoulder Concepts Course, Irvine, California, April 2005.
56. Laboratory Instructor. 22nd Annual San Diego Shoulder Arthroscopy Course, La Jolla, California, June 2005.
57. “Multidirectional Shoulder Instability.” Shoulder Tutorial, Center for Learning Arthroscopic Skills, Van Nuys, California, July 2005.
58. “Multidirectional Shoulder Instability.” Focus demonstration and ALEX lab. 24th Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, December 2005.
59. Workshop and Demonstration Instructor. DePuy Mitek Training Seminar, March 2006.
60. Laboratory Instructor. 23rd Annual San Diego Shoulder Arthroscopy Course, California, June 2006.

**PRESENTATIONS:** (continued)

61. Instructor. DePuy Mitek Dry Shoulder Workshop, June 2006.
62. Workshop and Demonstration Instructor. DePuy Mitek Training Seminar, September 2006.
63. Focus Demonstration and Laboratory Instructor. Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2006.
64. “Recognizing and Managing Complications.” Winter Course, Arthroscopy Association of North America, Whistler, British Columbia, January 2007.
65. “Case Discussions: Shoulder Instability.” Winter Course, Arthroscopy Association of North America, Whistler, British Columbia, January 2007.
66. Laboratory Instructor. 74<sup>th</sup> Annual Meeting, American Academy of Orthopaedic Surgeons, San Diego, California, February 2007.
67. Laboratory Instructor. 24<sup>th</sup> Annual San Diego Shoulder Arthroscopy Course, San Diego, California, June 2007.
68. Masters Experience Shoulder Arthroscopy Course, Arthroscopy Association of North America, Rosemont, Illinois, August 2007.
69. Director, ALEX Lab and Laboratory Instructor. Fall Course, Arthroscopy Association of North America, Orlando, Florida, November 2007.
70. Laboratory Instructor. 25<sup>th</sup> Annual San Diego Shoulder Arthroscopy Course, San Diego, California, June 2008.
71. Live Surgical Demonstration – Shoulder Instability. Shoulder Controversies, Laguna Beach, California, October 2008.
72. Alex Shoulder Laboratory. Director. 27<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2008.
73. Shoulder Laboratory Instructor. 27<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2008.
74. “Shoulder Instability.” Industrial Injuries Symposium, Southern California Orthopedic Research & Education, Van Nuys, California, December 2008.
75. “Single vs. Double Loaded Suture Anchor Repair for Shoulder Instability.” 76<sup>th</sup> Annual Meeting, American Academy of Orthopaedic Surgeons, Las Vegas, Nevada, February 2009.
76. Model Lab Section. Chairman. 26<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2009.

**PRESENTATIONS:** (continued)

77. Laboratory Instructor. 26<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2009.
78. “Principles of Arthroscopic Shoulder Stabilization: What Have We Learned?” Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy, Napa, California, November 2009.
79. “Complications in Arthroscopic Instability Surgery.” Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy, Napa, California, November 2009.
80. Shoulder Laboratory. Co-Director & Instructor. 28<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2009.
81. “SLAP Repair and Posterior Labral Repair.” DePuy Comprehensive Shoulder Course, Raynham, Massachusetts, December 2009.
82. “Technical Pearls: Remplissage.” Annual Meeting, Arthroscopy Association of North America. Hollywood, Florida, May 2010.
83. “Rotator Cuff Symposium.” Latin American Forum 2010, Rio de Janeiro, May 2010.
84. “Anterior Instability, Posterior Instability and Multidirectional Instability.” Latin American Forum 2010, Rio de Janeiro, May 2010.
85. “Moving Forward: What Is New, What Works and What Matters? Arthroscopic Latarjet.” Latin American Forum 2010, Rio de Janeiro, May 2010.
86. “Top Ten in Bankart Repair.” Latin American Forum 2010, Rio de Janeiro, May 2010.
87. “Top Ten in Cuff Repair.” Latin American Forum 2010, Rio de Janeiro, May 2010.
88. Model Lab Section. Chairman. 27<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2010.
89. Laboratory Instructor. 27<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2010.
90. Laboratory Instructor. Current Concepts in Sports Medicine Surgery. Annual Meeting, American Orthopaedic Society for Sports Medicine, Providence, Rhode Island, July 2010.
91. “Single Row Rotator Cuff Repair: The Role of Tension.” The Second Beijing-Shanghai Arthroscopy Symposium, Shanghai, China, September 2010.
92. “Hospital Corner for Anterior Instability.” Invited Lecturer, JST Hospital, Beijing, China, September 2010.
93. “Remplissage for Bone Loss and Instability.” Invited Lecturer, JST Hospital, Beijing, China, September 2010.

**PRESENTATIONS:** (continued)

94. “Posterior Instability-Is it just a Reverse Bankart?” Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy, Napa, California, October 2010.
95. “Arthroscopic Stabilization Clinical Cases.” Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy, Napa, California, October 2010.
96. Knee Laboratory. Director. 29<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2010.
97. Shoulder Laboratory Instructor. 29<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2010.
98. “Orthopaedic Practice Trends: What the Future MAY Hold. . .” Fellows Day, 29<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2010.
99. “Rotator Cuff Disease Overview.” Masters Shoulder Course, Miami, Florida, March 2011.
100. “Single vs. Double Row – Point/Counterpoint.” Masters Shoulder Course, Miami, Florida, March 2011.
101. “Instability Demo – Anterior ‘Hospital Corner’ and Remplissage.” Masters Shoulder Course, Miami, Florida, March 2011.
102. “Orthopaedic Practice Trends: What the Future MAY Hold. . .” Fellows Day, Annual Meeting, Arthroscopy Association of North America, San Francisco, California, April 2011.
103. “Single vs. Double Row – Point/Counterpoint.” Masters Shoulder Course, Henderson, Nevada, April 2011.
104. “Subscapularis Repair.” Masters Shoulder Course, Henderson, Nevada, April 2011.
105. “How I Repair Soft Tissue Defects.” Masters Shoulder Course, Henderson, Nevada, April 2011.
106. “Single Row Rotator Cuff Repair.” 28<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2011.
107. Model Lab Section. Chairman. 28<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2011.
108. Laboratory Instructor. 28<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2011.
109. “Anterior Shoulder Extra Articular Surgery.” Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy, Napa, California, October 2011.

**PRESENTATIONS:** (continued)

110. “Arthroscopic Posterior Shoulder Stabilization.” Orthopedic Surgery Controversies: Shoulder and Hip Arthroscopy, Napa, California, October 2011.
111. Shoulder Laboratory Instructor. 30<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2011.
112. “Disability Insurance for Physicians – Do You Really Need It and How Much?” Fellows Day, 30<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2011.
113. “Approach to a Painful Shoulder in the Young.” 10<sup>th</sup> Annual Conference of the Indian Arthroscopy Society, New Delhi, India, November 2011.
114. “SCOI Technique of Cuff Repair.” 10<sup>th</sup> Annual Conference of the Indian Arthroscopy Society, New Delhi, India, November 2011.
115. “Rotator Cuff Repair.” Live Surgical Demonstration. 10<sup>th</sup> Annual Conference of the Indian Arthroscopy Society, New Delhi, India, November 2011.
116. “Biologic Augmentation for Massive Rotator Cuff Repair: The Role of Tissue Patches.” 9<sup>th</sup> International Forum on Orthopaedic Sports Medicine and Arthroscopic Surgery, Shanghai, China, April 2012.
117. “Rotator Cuff Repair Tension: SCOI Row Repair Technique.” 9<sup>th</sup> International Forum on Orthopaedic Sports Medicine and Arthroscopic Surgery, Shanghai, China, April 2012.
118. “Hospital Corner Repair for Anterior Instability.” 9<sup>th</sup> International Forum on Orthopaedic Sports Medicine and Arthroscopic Surgery, Shanghai, China, April 2012.
119. “Posterior Instability Repair: Is It Really Just a Reverse Bankart?” 9<sup>th</sup> International Forum on Orthopaedic Sports Medicine and Arthroscopic Surgery, Shanghai, China, April 2012.
120. “Ancillary Opportunities: Should I Buy In?” Fellows Day, 31<sup>st</sup> Annual Meeting, Arthroscopy Association of North America, Orlando, Florida, May 2012.
121. Laboratory Instructor, Arthroscopy Skills Session. 29<sup>th</sup> Annual San Diego Shoulder Meeting, San Diego, California, June 2012.
122. Faculty Advisory Forum, Raytham, Massachusetts, July 2012.
123. “Arthroscopic Management of Partial Rotator Cuff Tears.” AANA/SOMOS Combined Shoulder Arthroscopy Course: Optimizing Care of the “Military Athlete”, Rosemont, Illinois, August 2012.

**PRESENTATIONS:** (continued)

124. “Current Indications for PRP in the Shoulder – Evidence Based.” Orthopedic Shoulder Controversies: Shoulder and Hip Arthroscopy, Napa, California, September 2012.
125. “Decision Making: Remplissage, Latarjet or Labral Capsular Repair.” Orthopedic Shoulder Controversies: Shoulder and Hip Arthroscopy, Napa, California, September 2012.
126. “Massive Cuff Tears – Prayers and Patches.” Boston Sports Medicine Symposium, Waltham, Massachusetts, October 2012.
127. “Instability in the Contact Athlete.” Boston Sports Medicine Symposium, Waltham, Massachusetts, October 2012.
128. “Single Row Rotator Cuff Repair.” Master’s Shoulder Course, Raytham, Massachusetts, October 2012.
129. “Arthroscopic Repair of 2-4 cm Rotator Cuff Tears with Single Row.” 2012 Biennial Shoulder & Elbow Society of Australia Closed Conference, Brisbane, Australia, October 2012.
130. “Surgical Solutions for Complex Rotator Cuff Pathology.” Workshop. 2012 Biennial Shoulder & Elbow Society of Australia Closed Conference, Brisbane, Australia, October 2012.
131. “SCOI Row Rotator Cuff Repair.” Melbourne Orthopaedic Group, Melbourne, Australia, October 2012.
132. “SCOI Row Rotator Cuff Repair.” Sydney Orthopaedic Group, Sydney, Australia, October 2012.
133. “Non-Insertional Tendinopathy of the Subscapularis.” 2012 Biennial Shoulder & Elbow Society of Australia Closed Conference, Brisbane, Australia, October 2012.
134. “Single vs. Double Row Rotator Cuff Repair.” 31<sup>st</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2012.
135. “Planning for the Future: Insurance Needs.” Fellows Symposium. 31<sup>st</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2012.
136. “Understanding Ancillary Opportunities.” Fellows Symposium. 31<sup>st</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2012.
137. Shoulder Lab Faculty. 31<sup>st</sup> Annual Fall Course, Arthroscopy Association of North America, Phoenix, Arizona, November 2012.
138. “Biology of Healing: Current Concepts on PRP and MSCs.” SCOI Sports Medicine Symposium, Chicago, Illinois, July 2013.
139. “Rotator Cuff Repair, 2013.” The Napa Course: Advancements in Shoulder and Hip Arthroscopy, Napa, California, September 2013.

**PRESENTATIONS:** (continued)

140. “Fix and Patch.” Large and Massive Rotator Cuff Tears – Controversies and Case Scenarios. American Shoulder and Elbow Surgeons Closed Meeting, Las Vegas, Nevada, October 2013.
141. “Shoulder: Bone Loss Instability.” VuMedi – The Event, San Francisco, California, November 2013.
142. “SLAP Lesions.” VuMedi – The Event, San Francisco, California, November 2013.
143. “20 Different Ways To Do a Biceps Tenodesis.” VuMedi – The Event, San Francisco, California, November 2013.
144. “Improving Healing in Cuff Tears.” VuMedi – The Event, San Francisco, California, November 2013.
145. “Massive Cuff Tears.” VuMedi – The Event, San Francisco, California, November 2013.
146. “Debate: ACL Reconstruction in Patients <25 Years Old: Allograft Will Fail. Con.” 3<sup>rd</sup> Annual Emerging Techniques in Orthopedics, Las Vegas, Nevada, December 2013.
147. “23 Year Old Failed Bankart: What Do I Do To Get Him Back to the Fight for Good?” SOMOS AANA Combined Advanced Shoulder Arthroscopy Course, August 2014.
148. “Current Concepts in Sports Medicine: Rotator Cuff Pathology.” AOA Annual Meeting, Rancho Palos Verdes, California, October 2014.
149. “Shoulder Arthroscopy Mini-Fellowship.” 33<sup>rd</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2014.
150. “Instructional Course: Shoulder.” Course Chairman. 33<sup>rd</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2014.
151. “Arthroscopic Suprapectoral Tenodesis is Best!” 33<sup>rd</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2014.
152. “Focus Demonstration: Point-Counter Point: Remplissage vs Latarjet and Other Options.” 33<sup>rd</sup> Annual Fall Course, Arthroscopy Association of North America, Palm Desert, California, November 2014.
153. “Solving the Dilemma: Why I am Right! My ACL in a 26 Year Old and Return to Play! Allograft Will Ensure Less Morbidity.” Orthopaedic Summit, Las Vegas, Nevada, December 2014.
154. “Pushing the Repair Envelope: Radials, Roots and Horizontals.” Moderator. 34<sup>th</sup> Annual Meeting, Arthroscopy Association of North America, Los Angeles, California, April 2015.

**PRESENTATIONS:** (continued)

155. “Instructional Course: Arthroscopic Cuff Repair in 2015.” Coordinator. 34<sup>th</sup> Annual Meeting, Arthroscopy Association of North America, Los Angeles, California, April 2015.
156. “Labrum Repair Basics.” 32<sup>nd</sup> Annual Course, San Diego Shoulder, San Diego, California, June 2015.
157. “The Isolated SS Tear: Single Row Fixation.” 32<sup>nd</sup> Annual Course, San Diego Shoulder, San Diego, California, June 2015.
158. “Latarjet Technique.” 32<sup>nd</sup> Annual Course, San Diego Shoulder, San Diego, California, June 2015.
159. Lab Director. 32<sup>nd</sup> Annual Course, San Diego Shoulder, San Diego, California, June 2015.
160. “Biomechanical Comparison of Torque to Humeral Fracture Between Two Biceps Tenodesis Locations.” Co-author. Annual Fellows’ Day Research Presentations, Southern California Orthopedic Research & Education, Sherman Oaks, California, June 2015.
161. “Comparison of a Linked Triple-Loaded Single Row Repair to the Standard Triple-Loaded Single Row Repair in a Human Cadaver Model.” Co-Author. Annual Fellows’ Day Research Presentations, Southern California Orthopedic Research & Education, Sherman Oaks, California, June 2015.
162. “Surgical Approach to Posterior Lateral Corner.” AANA Masters Experience Course – Fundamentals in Arthroscopy, Rosemont, Illinois, October 2015.
163. “How to: Arthroscopic Labral, SLAP and Instability Repairs, Capsular Plication.” AANA Masters Experience Course – Fundamentals in Arthroscopy, Rosemont, Illinois, October 2015.
164. “Cuff Repairs – Arthroscopic Approach.” AANA Masters Experience Course – Fundamentals in Arthroscopy, Rosemont, Illinois, October 2015.
165. “Shoulder Arthroscopy Mini Fellowship.” 35<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Grapevine, Texas, November 2015.
166. “Shoulder: Rotator Cuff.” Roundtable Session. 35<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Grapevine, Texas, November 2015.
167. “Rotator Cuff: Put a Patch On It!” 35<sup>th</sup> Annual Fall Course, Arthroscopy Association of North America, Grapevine, Texas, November 2015.
168. “Rotator Cuff Repair Olympics: Single Row with Low Profile Anchors.” VuMedi – The Event, San Francisco, California, November 2015.

**PRESENTATIONS:** (continued)

169. “61 Year Old Recreational Frisbee Thrower with Massive Cuff Tear and No Arthritis: What Would You Do?” Moderator. VuMedi – The Event, San Francisco, California, November 2015.
170. “Partial Cuff Tears: Takedown vs. In situ Bursal Sided Tear.” VuMedi – The Event, San Francisco, California, November 2015.
171. “Biceps Tenodesis Olympics: Arthroscopic Suprapectoral Approach Without an Implant.” VuMedi – The Event, San Francisco, California, November 2015.
172. “Anterior Instability Decision Making.” Moderator. VuMedi – The Event, San Francisco, California, November 2015.
173. “Arthroscopic Bankart Repair Techniques: How I Do It Arthroscopically: Knot Repair.” VuMedi – The Event, San Francisco, California, November 2015.
174. “Evolving Technique Update: Alternatives for Bone Loss – Distal Tibia Allograft and Clavicle Autograft.” Orthopaedic Summit, Las Vegas, Nevada, December 2015.
175. “Managing Instability with Bone Loss.” Course Director. Arthroscopic Surgery/Arthroscopy Association of North America Winter Course, Sun Valley, Idaho, February 2016.
176. “Shoulder: Rotator Cuff.” Moderator. Specialty Day, Arthroscopy Association of North America, Orlando, Florida, March 2016.
